

We Are Your Brand's Lifeline.

Your brand has a pulse. Stratus specializes in bringing consistency across all your physical locations in appearance, quality and efficiency. We will manage your refresh or rollout program from start to finish, ensuring long-term success.

HOW WE HELP

✓ **Large-Scale Focus**

We are experts in managing nationwide construction programs for clients with multiple facilities.

✓ **Total Management**

Our team supervises each phase of your program — from scopes and permits to project wrap-up.

✓ **Rollouts & New Store Sets**

No matter how large or complex the program, our team can deliver a successful, efficient experience.

✓ **Consistent Site Implementation**

Better reflect your brand, satisfy local codes, and save on energy with electrical support services.

✓ **ADA & Safety Remediation**

We'll help your facilities meet customers' needs and promote an environment of complete safety.

ABOUT STRATUS

Stratus is a national provider of exterior signage, refresh & rollouts, brand maintenance, energy, and interior branding solutions. Built from the combined 150-year legacy of MC Group and Icon, we are the leading branding implementation company in the U.S.A.

As a nationally licensed general contractor, no project is too large or small. We utilize our own team of W-2 superintendents and an extensive project management team for complete site management. Our eyes are on every detail and we keep you in the know.
